

Baseball Meet Snowed Out

Putnam County Sentinel – April 21, 1961

The Putnam County baseball tournament has been snowed out and coaches are beginning to wonder whether they may be snowed under with games in order to have the meet completed in time for the sectional tourney.

First round games were scheduled for Monday but heavy snows left no doubt that the games could not be played that day. Weather permitting the tourney may get under way today, Thursday.

The remainder of the schedule will have to be reset according to diamond fitness and weather conditions. Original playing dates were Monday and Thursday of this week, with semi-finals on next Monday and the championship game under the lights next Thursday night.

In the first round on the Kalida diamond Miller City is to take on Kalida and Ottoville will meet Ottawa Sts. Peter and Paul; while on the Ottawa diamond Glandorf meets Columbus Grove and Vaughnsville is pitted against Continental.
