**This is the first year that three teams were sent on to the next level of tourney play at Lima. In the past, only two teams moved on. This next level was referred to as a sectional or district game. The terms, sectional and district, were interchangeable. The winner went on to a 16 team state tournament.**

**This is the first year that the PCT went to 5 sessions. In 1924 and 1925, there were 3 three sessions. In 1926 and 1927, there were 4 sessions.**
