Leipsic Lost Final Game to Ottoville Boys

GROVE HIGH THIRD

Three Teams to Enter District Meet

The Leipsic Free Press and Putnam County Sentinel – March 6, 1935

The boys' finals brought together the Ottoville champs of 1934 and the Leipsic boys.

Outside of the first half, when the score ended 7 to 5, the game was all Ottoville.

This seemed to be the worst game of the tournament for the losers who were unable to come anywhere near the elusive hoop, even though they had many opportunities.

Meanwhile, the Ottoville boys with their shooting eye well trained scored almost at will during the two final periods.

Ottoville had the first free throws and missed both. Leipsic, with Perry throwing a gift shot, also missed the ring and then center Huysman sunk an overhead pass. Jerry Moenter caged a foul shot as did White for Leipsic's two counters in the first quarter.

Huysman opened the second quarter with one from the field followed by a fielder by Perry and a foul by Hook.

With the count five all, Altenburger looped one through from the enter of the floor and the half ended 7 to 5 in favor of Ottoville.

The second half was somewhat of a slaughter for the Leipsic boys. Blauvelt and Hook scored from the field while Perry and Moenter each caged a foul goal. But while the L.H.S. five were getting their six counters their opponents added 19 to their string and so went the county championship.

Scoring for Leipsic was done by Hook and White with three each, Blauvelt and Moenter two each and Perry one.

Ottoville secured its scores through Huysman with ten, Leis and Altenburger six each and Ruen and Wannemacher two each.

Ottoville	3	4	12	7	26
Leipsic	2	3	3	3	11
