

# Palmer Declines to Finish Game

Putnam County Sentinel – January 17, 1930

Palmer township basketball teams invaded Glandorf last Friday evening with a city and high school contingent, prepared to do battle against the strong quintets of the home guard. The visiting city team was victorious, score 17 to 12.

The high school game ended abruptly near the end of the third quarter, when the Palmer boys refused to go on with the game. They took this means of expressing their dissatisfaction with the work of the referee.

When the contest came to a conclusion, the score stood 22 to 14 in favor of Glandorf. According to accepted rules in cases of this kind, the referee pronounced the game forfeited by Palmer and won by Glandorf by a score of 2 to 0.
