History of Player Selection

From 1925 to 1940, the All-PCL or PCL Tournament Teams were selected in many different ways. In some years, someone from one of the many local newspapers, such as the Putnam County Sentinel, the Leipsic Free Press or the Continental News Review, would select a team. From 1977 to the present, the varsity coach of each PCL school selects the players and coaches for a 1st Team, a 2nd Team, a Player of the Year and a Coach of the Year.
