

Columbus Grove Challenges Leipsic

Girls Invite Leipsic Team for Another Game

Putnam County Sentinel – March 12, 1926

Leipsic and Columbus Grove girls started the final session Saturday night before a record-breaking crowd. It was a close contest throughout, neither team being able to gain much advantage over the other in the way of winning scores. The final score stood 9 and 9. According to the rules for girls' games, it is not customary to play overtime periods to decide games that end in a tie count. This leaves the question as to who is entitled to the girls' cup for the next year in a state of uncertainty. It has been suggested that the two teams play another game on the Armory floor some time in the near future to settle the argument. If Columbus Grove should win in such an event, it would gain a clear title to the cup forever. But Leipsic might be able to step in and prevent this outcome and claim the cup for itself for the period of one year from date. This question will be definitely decided in some way, when the meeting is held at which a final

financial accounting of the tournament will be made.

Columbus Grove Challenge to Leipsic

We the undersigned members of the Columbus Grove Girls High School Basketball team, hereby, challenge you, the Leipsic Girls High School Basketball team, to play a game of basketball on the Ottawa Armory floor, on Friday evening, March 19.

The three division floor is to be used. The game to be officiated by two competent referees mutually agreed upon by the two schools and time to be kept by the same timekeeper who served during the tournament. Helen Thomas, Captain. Victoria Lora, Velma Sonders, Lucille Jones, Ruth Witteborg, Opal Gfroerer, Beda Sink, Margaret Davies, Christine Seitz, Earl F. Smith, Supt. And Coach.
