When the running events were converted from yards to meters, the 100 yard dash record was retired. A similar event was substituted, the 100 meter dash. However, the other running events were changed so that the lengths were still comparable. For example, the 220 yard dash was converted to the 200 meter dash. This new event, 100 meter dash has been held in every PCL Track and Field Meet since 1980. The first dash and record was held by Scott Woodburn of Continental when he ran the event in 11.8 seconds. The current record of 10.78 seconds is held by Josh Verhoff of Kalida and was set in 2019.
