Selection to the All-PCL Teams

Previous to 1976, the only All-PCL team that was selected by the coaches of the PCL was boys' basketball. When girls' basketball was restarted under the supervision of the OHSAA in 1976, All-PCL teams were selected in 1977. The first All-PCL baseball team was selected in 1978.

The rules of selection are very simple. A coach nominates his players for first or second team honors. The coaches vote for the nominees, but he may not vote for his own players. From 1978-1999, there were at least 9 players on each team, plus ties. Ten positions were used in 2000 because of the designated hitter. The top vote getter is also the Player of the Year. A Coach of the Year is also selected.

In addition to these two All-PCL teams, a maximum of three boys can be put on an honorable mention list. Finally, there is an All-Scholastic honor given to any seniors that have maintained a 3.5 grade accumulation through his four years of high school.

There were not any honors at the local level for the baseball players of Putnam County previous to 1978. We obviously know that baseball was played in the earlier years by many great players, but what is difficult is how to list their individual honors by comparing them to players of their day as we can today with the All-PCL selection process.

In the 1930's Harry Sweigart of Leipsic and Rudy Pugh of Columbus Grove were two of the best pitchers of their era. In the 1940's, Stretch Goedde and Ralph Goedde of Vaughnsville were in a class by themselves. Stretch had at least 290 strike outs in his career. Ralph threw two perfect games, one in 1943 and one in 1944. He also had nearly 200 strike outs. William Stechschulte was a great player for Kalida who pitched them to the State Tournament in 1940. Many older followers of baseball mention Mark Lammers, a graduate of Miller City in 1947, as one of the best. In the 1950's, Dan Stechschulte of Kalida, Tom Lanwehr of Ottawa SPPS and Jack Callahan threw several no-hitters. In the 1960's, Larry Cox and Dave Ruhe of Ottawa-Glandorf had brilliant high school careers. Larry also went on to 'The Show' and had a great professional career. Ken VonLehmden, who had three no-hitters and Doug VonSossan of Fort Jennings were two of the counties best pitchers in the mid 1970's. Denny Maag of Leipsic was a great player for their State Championship team of 1976. He was 10-0 with a 1.10 ERA and batted .326. Mark Niese, a graduate of 1977 from Miller City, led the Wildcats to a State Championship also. He was 12-0 with a 1.32 ERA and batted .420 with 42 hits.

There were many players since 1978 that were highly regarded in the PCL. The entire list of those making 1st or 2nd Team All-PCL is listed in this book. In 1978, the first players and coaches of the PCL were officially recognized. It was only fitting that the first Player of the Year was to be

selected from two of the best players to ever play high school baseball in Putnam County, Ruben Gonzalez of Leipsic and Dan Hermiller of Miller City. Ruben batted .280 in 1978 with an 8-3 record and an ERA of 1.44. He also had 33 career wins. Dan Hermiller batted .575 in 1978 and had a career average of .456. He was also a great defensive player with a .983 average.

Another first that year was when Ted Miller of Leipsic was voted Coach of the Year. Coach Miller led his 16-8 Vikings to the Regional Tournament for the 2nd time and also won the PCL with a 6-1 record. He would later retire in 2001 after 27 years with 411 wins. What a fitting choice!

The following information is separated into five categories: (1) Players who made 1st Team All-PCL four times, (2) Players who made 1st Team All-PCL three times, (3) Players who made 1st Team All-PCL two times and Player of the Year, (4) Great players who did not fit into the first three categories and (5) Ottawa-Glandorf players. A separate category for O-G players was created since they were not included in the All-PCL selections.
