Putnam County's State Qualifiers, Poll and State Champions

The first two teams to qualify for the state tournament were Leipsic in 1925 and Ottoville in 1937. What was unique about these two teams was that there was no regional tournament. After the Putnam County Tournament, District Tournament play began. Sixteen teams went to state. There were two classes, A and B.

In 1950, Miller City's boy's team was the first from Putnam County to come home with a State Championship after defeating Eaton 44-36.

Columbus Grove - 3
2006 State Runner-Up
