

Kalida Plays 1st Game in History

Western County News – November 28, 1941

In the first basketball game ever played by a Kalida high school quintet, Miller City emerged victorious Tuesday, 39-17. The game was played in the recently completed auditorium gymnasium at Kalida.

Miller City made a clean sweep on the court with their reserves winning 24-14 and the juniors copping 32-16.

Kalida High School had boys' and girls' basketball games reported in the Putnam County Sentinel from 1915-1938. Kalida participated in the Putnam County Tournament several times from 1922-1938. The boys placed 2nd in 1922. It is not understood why Kalida does not recognize these earlier games.
