In 1926, Everett Seitz of Otttawa High School ran the 120 yard high hurdles in 14.6 seconds according to the Putnam County Sentinel. This is faster than the times set by Mike Nichols and Mike Heithmeyer who currently hold the 110 Meter High Hurdle record at 14.8. When the current track coaches of Putnam County were made aware of this remarkable time, they thought that it had to be either a typo or a timing error. Regardless, since it cannot be disproved, this record will be listed with an asterisk.
